- Factory Manager / QMR & EMR มากกว่า 8 ปี
- วิทยากรภายในองค์กรมากกว่า 12 ปี
- วิทยากรและที่ปรึกษามากกว่า 16 ปี

## จุดฝึกอบรม

1. Automotive Core Tool Audit
2. Static Process Control (SPC)
3. MSA 4 Edition
4. TQM for Management System
5. TQM for Problem Solving
6. Apply and Implementation ISO50001
7. Introduction and Requirement ISO50001
8. Compare RoHS VS REACH
9. REACH-SVHC
10. Safety Management for Productivity
11. Lean (The Theory of Constraints and Error Proof)
12. 6Qs for Organization Management
13. Lean Manufacturing System
14. Technical Internal Audit ISO9001:2008
15. Introduction and requirement ISO9001:2008
16. Proactive Technical

17. Team work of Productivity
18. Positive Thinking for Success
19. Human and Working for Improvement
20. Technical for Inducement
21. EQ & AQ
22. Awareness for Staff
23. Confliction Management
24. How to Service for Customer Satisfaction
25. Strategy for Executive Skill Development
26. Life Cycle Assessment, LCA
27. Integrated Management System (ISO9001&14001&18001)
28. Internal Audit Integrated Management System (ISO9001&14001&18001)
29. Technical for Internal Audit
30. Industrial Cost and Loss Reduction
31. CE MARK
32. Strategy for New Public Relations
33. Cost Reduction and Productivity
34. TREE Green Project (RoHS Management System)
35. HSPM QC080000:2005 (Hazard substance process management)
36. Total Energy Saving
37. ISO/TS16949:2009 Requirement
38. ISO14001:2004 Requirement
39. Internal Audit ISO14001:2004
40. QC 7 Tools
41. ISO9001:2000 Requirement
42. Internal Audit ISO 9001:2000
43. Clean Technology (14)
44. ISO14001:1996 Requirement
45. Internal Audit ISO14001:1996
46. ISO9000:1994 Requirement
